Our engagement

Keeping in touch

Water and Abandoned Metal Mines (WAMM) programme
Cleaning up rivers polluted by abandoned mines

We want to hear your thoughts about the proposals and help you stay up-to-date with the project.

You can do this by:

- Telling the project team
- Signing up to our email newsletters by leaving your email details with a member of the project team here today.
- Checking out our website at <https://bit.ly/Barney-Craig> or by scanning the adjacent QR code.
- Asking any questions via westallen@coal.gov.uk or calling **0345 762 6848**.

In an emergency please call the
